

# Birthing Workshop

With Adrienne Clarke from Ambersun Alpacas.

Register your interest now!, Bookings confirmed on payment received on “first in first booked” basis. Participant numbers are limited

(bookings via Jennie Menzies after payment made into regional account. Receipts will be emailed when payment cleared. Email [rjmenzies@activ8.net.au](mailto:rjmenzies@activ8.net.au) for further details.

Learn how to manage dystocias and difficult birth presentations

Attending this workshop may just save you a cria!

Cost: AAA Members \$40 each (including family members of registered AAA studs).

Non members \$75

Open to all AAA Members \$40 per person. Non AAA members \$75

Workshop held at the home of Jennie and Roy Menzies

(Tirrikee Alpacas) ...just out of Bathurst. A mud map will be provided upon receipt.

Please freeze any dead newborn or older cria up to about 10kgs for our workshop.

If you haven't got a freezer suitable or don't want to put it in your own freezer, please contact Jennie ASAP and we will see what can be arranged. we know it is always sad to lose a cria, but if we can save the life of another cria through doing the birthing workshop, then we may all benefit. Without little cria bodies, we cannot run the workshop.
